

Shade Trees Tilia, Ulmus & Zelkova

Tilia cordata 'Ronald'
Norlin® Linden

10m-15m
(33ft-50ft)

8m-12m
(25ft-40ft)

3

BR

FP

A hardy little-leaf Linden hybrid. Selected for rapid growth, resistance to leaf spot, good resistance to leaf gall, and resistance to sunscald.

Ulmus 'Frontier'
Frontier Elm

12m-15m
(40ft-50ft)

8m-9m
(25ft-30ft)

5

BR

FP

The small, glossy, dark green leaves of Frontier Elm turn a rich burgundy colour. The long lasting show of reddish-purple foliage is particularly striking as it appears fairly late in the season.

Ulmus 'morton glossy'
Triumph™ Elm

12m-15m
(40ft-50ft)

8m-9m
(25ft-30ft)

4

BR

FP

Remarkably dark green and glossy foliage and a sturdy, symmetrical growth habit. Disease tolerant to Dutch Elm disease and Phloem Necrosis.

Zelkova serrata 'Green Vase'
Green Vase Zelkova

15m-17m
(50ft-56ft)

12m-15m
(40ft-50ft)

3

BR

FP

A vigorous grower that forms a vase-shaped tree with upright, arching branches. Clean, bright green serrated foliage turns orange to red-bronze in the fall.

Malus baccata 'Columnaris'
Columnar Siberian Crabapple

7m (23ft)

2m (7ft)

2

BR

C

Hardy columnar tree with a profusion of fragrant white flowers. Yellow red wax-like fruits persisting into the winter. Foliage turns yellow in the fall. It makes a splendid street tree.

Malus 'Branzam'
Brandywine® Crabapple

3m-4.5m
(9ft-14ft)

2m-3m
(6ft-9ft)

3

BR

C

Special features of this standout include fragrant, double pink flowers in spring and large, yellow fruit in the fall.

Malus 'Centzam'
Centurion® Crabapple

3m-4.5m
(9ft-14ft)

2m-3m
(6ft-9ft)

3b

BR

C

This vigorous grower has upright columnar growth when young. Rose red blossoms appear in the spring.

Malus 'Dolgo'
Dolgo Crabapple

6m (18ft)

6m (18ft)

3

BR

C

Large white blossoms are beautiful on this early-blooming, very hardy variety. Bright red fruits are excellent for preserving or in jellies.

Malus 'Hargozam'
Harvest Gold Crabapple

3m-4.5m
(9ft-14ft)

2m-3m
(6ft-9ft)

3b

BR

C

Golden yellow fruit covers this ornamental tree well into the winter, adding colour to snowy landscapes.

Malus 'Hopa'
Hopa Crabapple

3m-4.5m
(9ft-14ft)

2m-3m
(6ft-9ft)

2

BR

C

Very hardy ornamental tree is covered with rose-pink blooms in spring. One inch fruit makes a fine jelly.

Crabapple Trees Malus

Sprout Free® flowering crabapple rootstocks are vigorous, full size producing rootstocks, which are highly sucker resistant and hardy to zone 3. They produce a well anchored root system, and result in less maintenance for home owners.

Malus 'Mazam'
Madonna® Crabapple

Long lasting double white flowers adorn this compact, upright small tree. An excellent landscape choice.

Malus pendula 'Red Jade'
Red Jade Crabapple

White blossoms cover this weeping tree in the spring. Foliage is glossy green. Yields an outstanding display of red apples in the fall.

Malus pendula 'Royal Beauty'
Royal Beauty Crabapple

Weeping, reddish foliage with very deep pink flowers in the spring. Dark red apples appear in the fall.

Malus 'Profusion'
Profusion Crabapple

This rounded ornamental tree has single deep red flowers in the spring. It yields small red apples in the fall.

Malus 'Radiant'
Radiant Crabapple

Very hardy ornamental tree has deep pink flowers in spring and small, bright red fruit in the fall.

Malus 'Rainbow'
Rainbow Crabapple

Numerous white flowers cover the plant in spring. Green foliage becomes marbled with white in late spring, early summer. Small reddish fruits in September. Excellent disease resistance.

Malus 'Rosina Brooks'
Rosina Brooks Crabapple

Dark red spring blooms and colourful, shiny, deep red foliage. Foliage is highly resistant to disease. Small red fruit in the fall.

Malus 'Royal Spectacular'
Royal Spectacular Crabapple

Spectacular pink-red flowers in spring followed by red, glossy foliage and medium sized fruit. Hardy and more vigorous than 'Royalty'.

Malus 'Royal Splendor'
Royal Splendor Crabapple

Red, glossy foliage with beautiful red flowers in spring, followed by medium sized fruit. Hardy, faster growing variety than 'Royalty'.

Malus 'Royalty'
Royalty Crabapple

Dark red spring blooms and colourful, shiny, deep red foliage make this a good choice for year round colour. Very hardy.
